Project criteria

Design principles for new projects and Local Heroes

Project criteria

The project

Focuses on supporting locally led initiatives (i.e., Local Heroes)

Is in line with the needs of the local community

Has a clear goal, incl. sub-goals and a roadmap for achieving the goal

Contains a clear exit strategy focused on capacity building and self-sufficiency of Local Hero

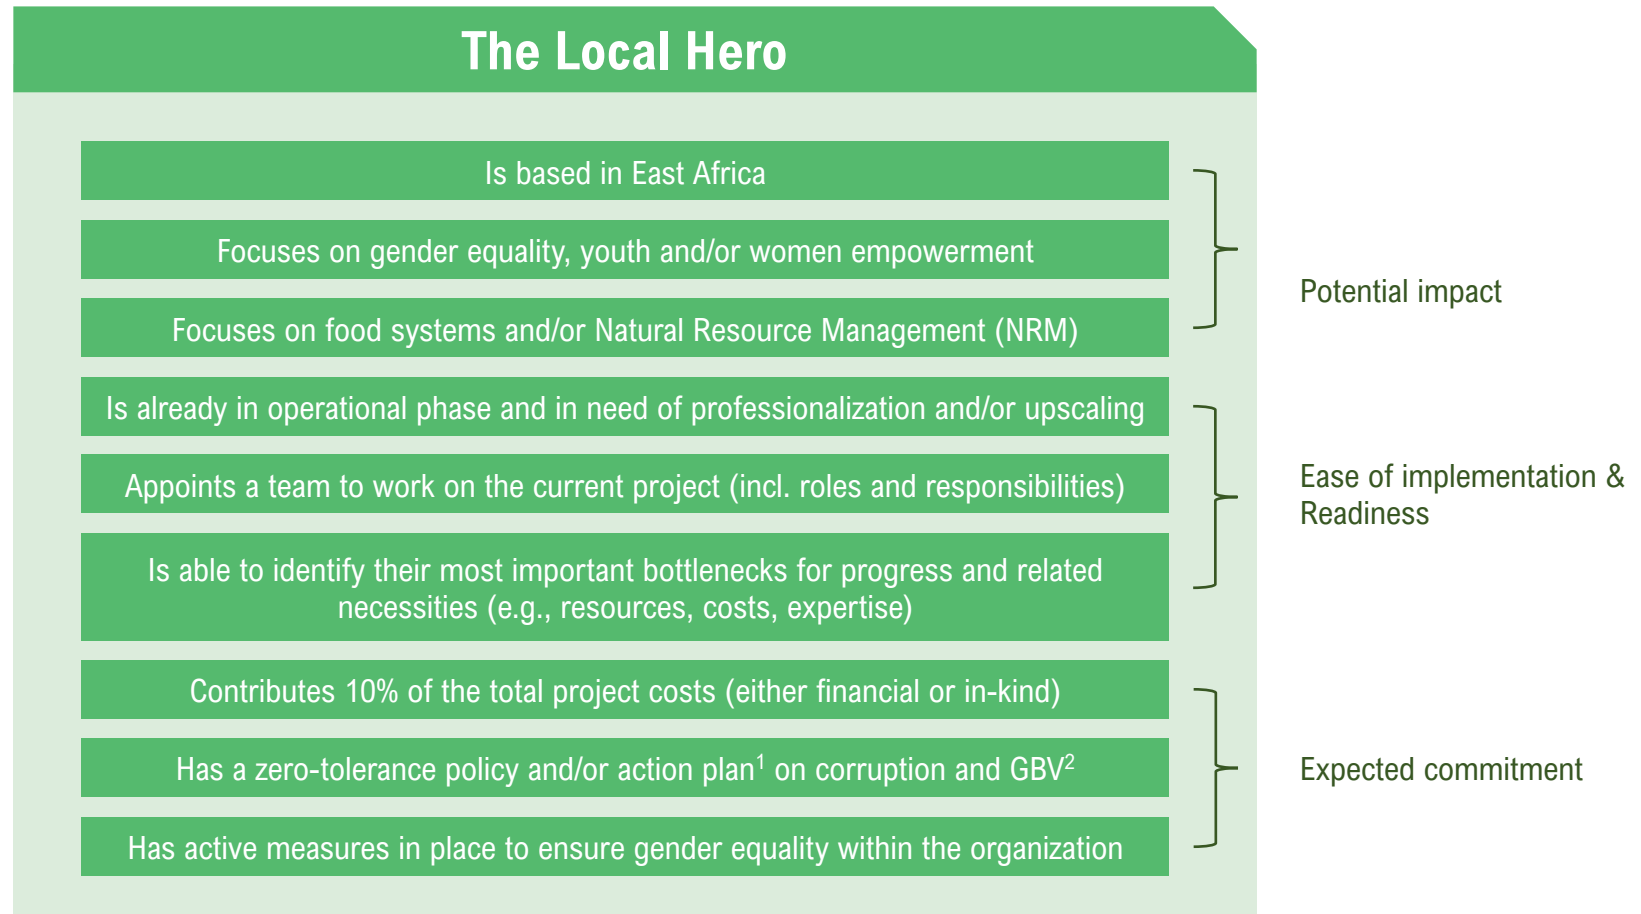

Contains a pre-defined plan for how to evaluate project approach and impact

Is monitored regularly throughout the project duration (progress reporting)

Has low (in)direct costs, so that any resources are used efficiently

Only supports initiatives that are transparent and that meet the Local Hero criteria and due diligence requirements

Local Hero criteria

1) A policy and/or action plan can be any set of ideas or a plan of what to do in particular situations agreed upon by the (management) team and internally communicated

2) Gender-Based Violence
